

## PROTECTION OF CULTURAL PROGRAMS

1

2 **Section 1. Professional Staff in Cultural Spaces.** Cultural spaces on campus shall be  
3 maintained and operated by at least one (1) full-time professional staff member and two (2)  
4 student workers for each physical space representing a cultural identity. Professional staff in  
5 managerial positions within cultural spaces shall be required to complete a cultural competency  
6 training once every fall term.

7

8 **Section 2. Camas Harvesting.** The University shall properly maintain all camas that are  
9 located on campus. During the months of April through early June, all camas are to be  
10 uprooted; it shall be given to the Indigenous community on campus (Native American  
11 Indigenous Studies Arc, Native American Student Union, or The Many Nations Longhouse).

12

13 **Section 3. Latinx Cultural Center.** The University shall maintain a Latinx Cultural Center  
14 located centrally on campus. The Latinx Cultural Center requires a facility with at least one (1)  
15 designated full-time professional staff member and two (2) student worker positions.
