2 **Section 1.** All student workers shall be eligible for a tuition waiver for 4 credits for each full term
3 they work. If a student worker is hired part-way through the term, they will be eligible for a
4 prorated amount of the tuition waiver, calculated by using the number of weeks in a term as the
5 denominator, and the number of weeks the student will work during the term as the numerator,
6 and shall be eligible for the full waiver the next term.
